## DEDICATION

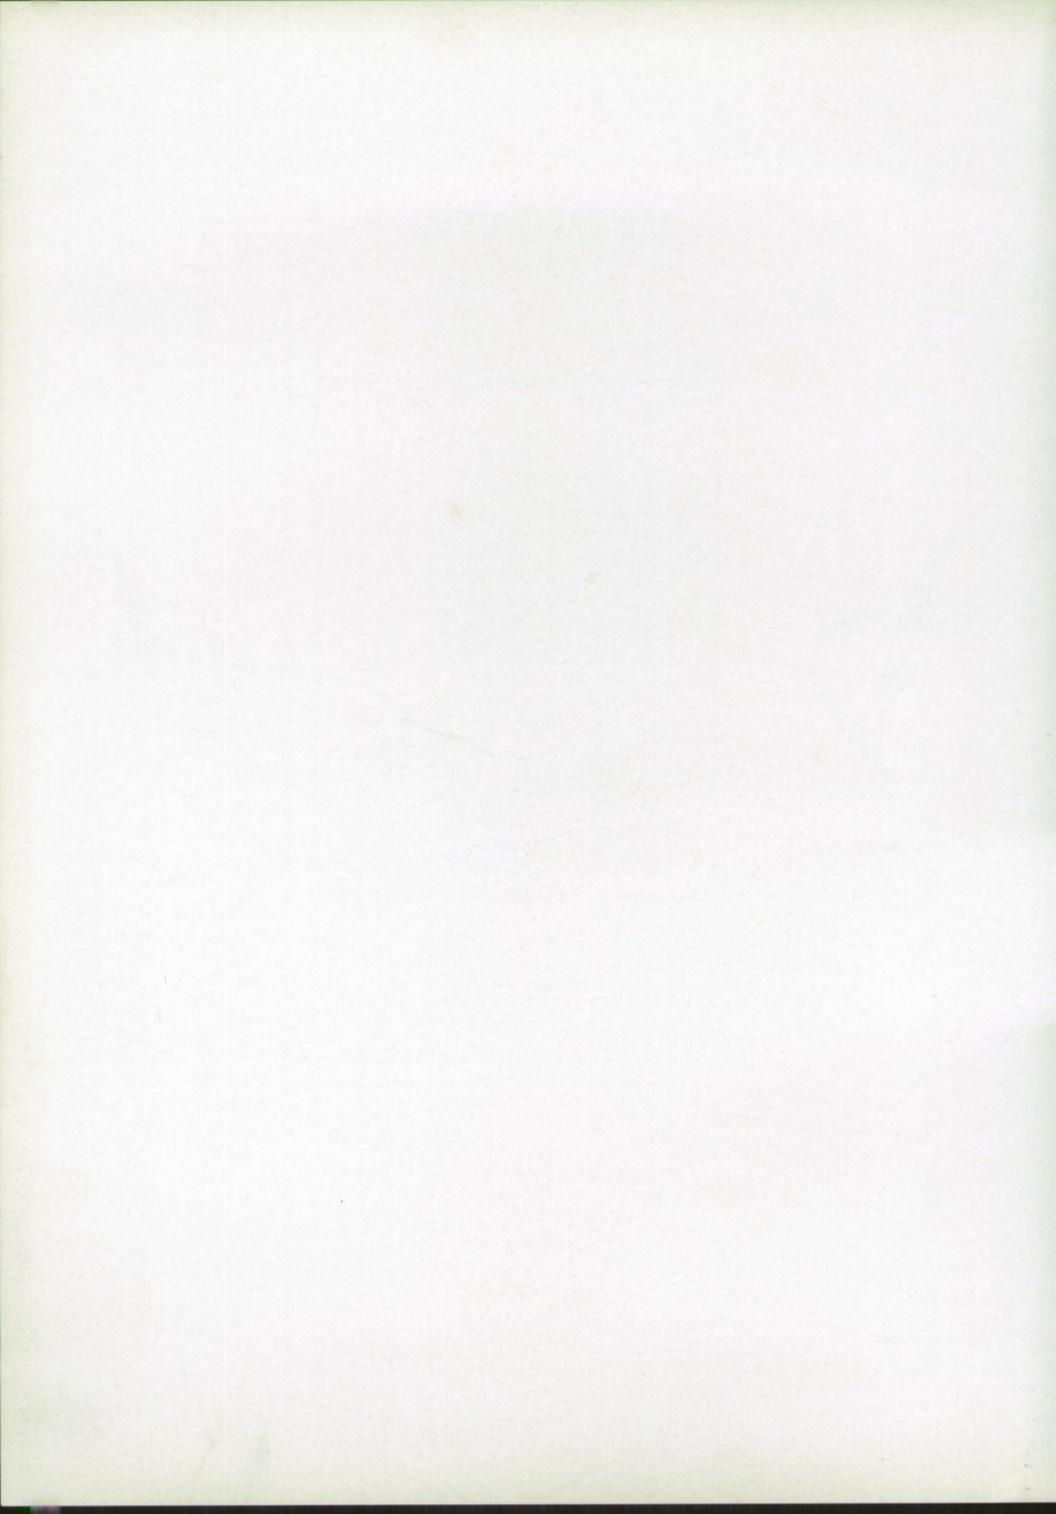

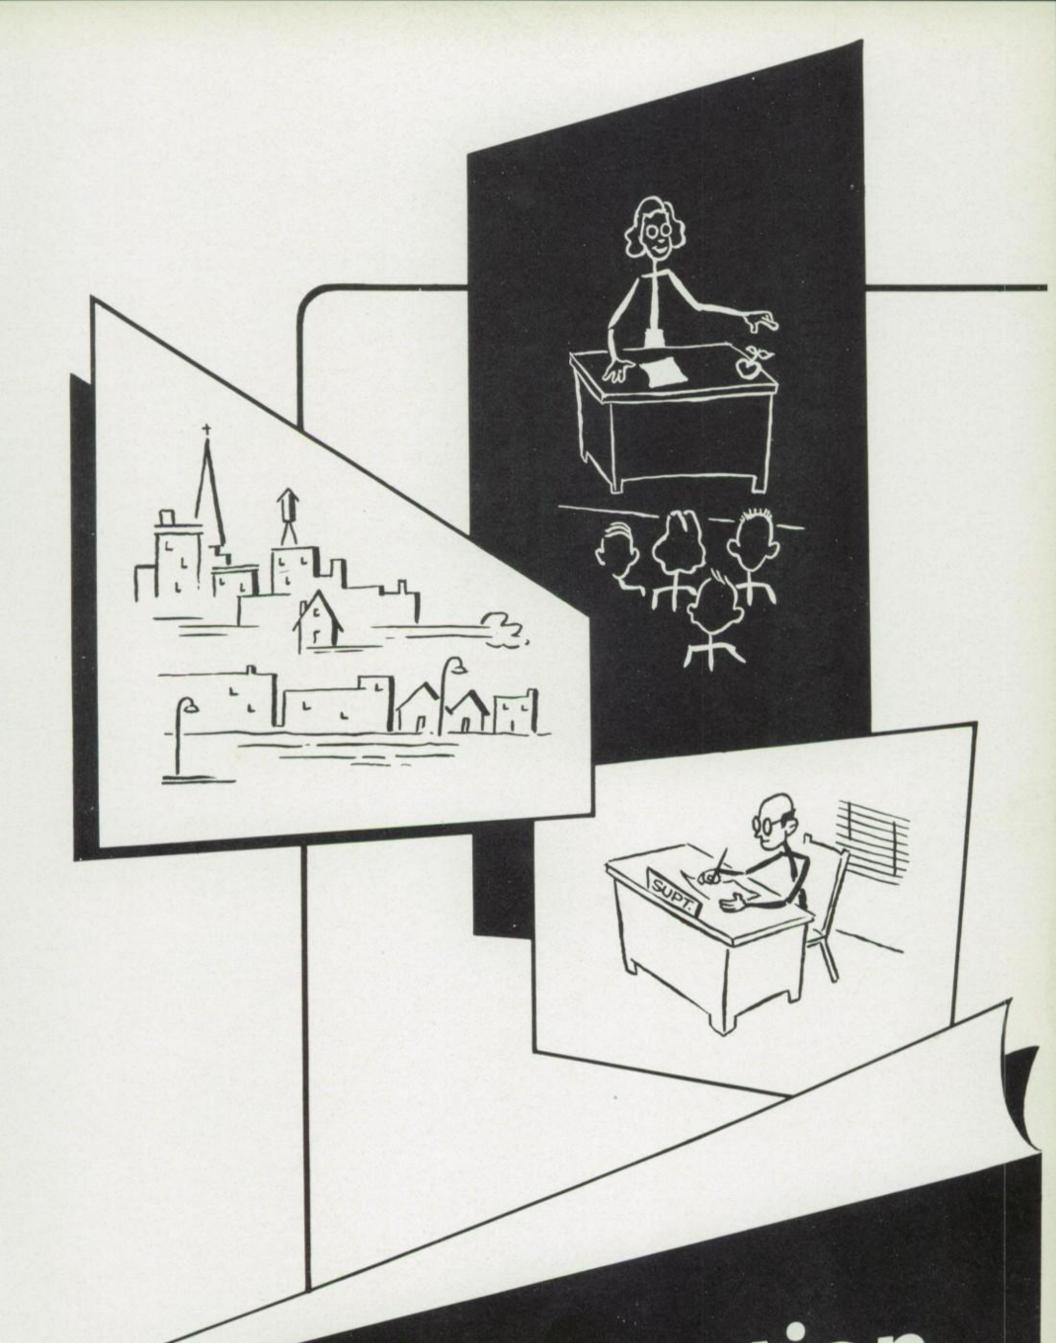

"Life hath no finer glow than that which comes from the heart of a true friend."

That is what our former custodian, Mr. Alfred Snickers, was to us, a true friend. No problem was too difficult, no time was too precious for him to use, that made life more pleasant for someone else in school. His cheery greetings, his pleasant smile, his interest in everyone and what everyone was doing, were special traits that endeared him to all of us.

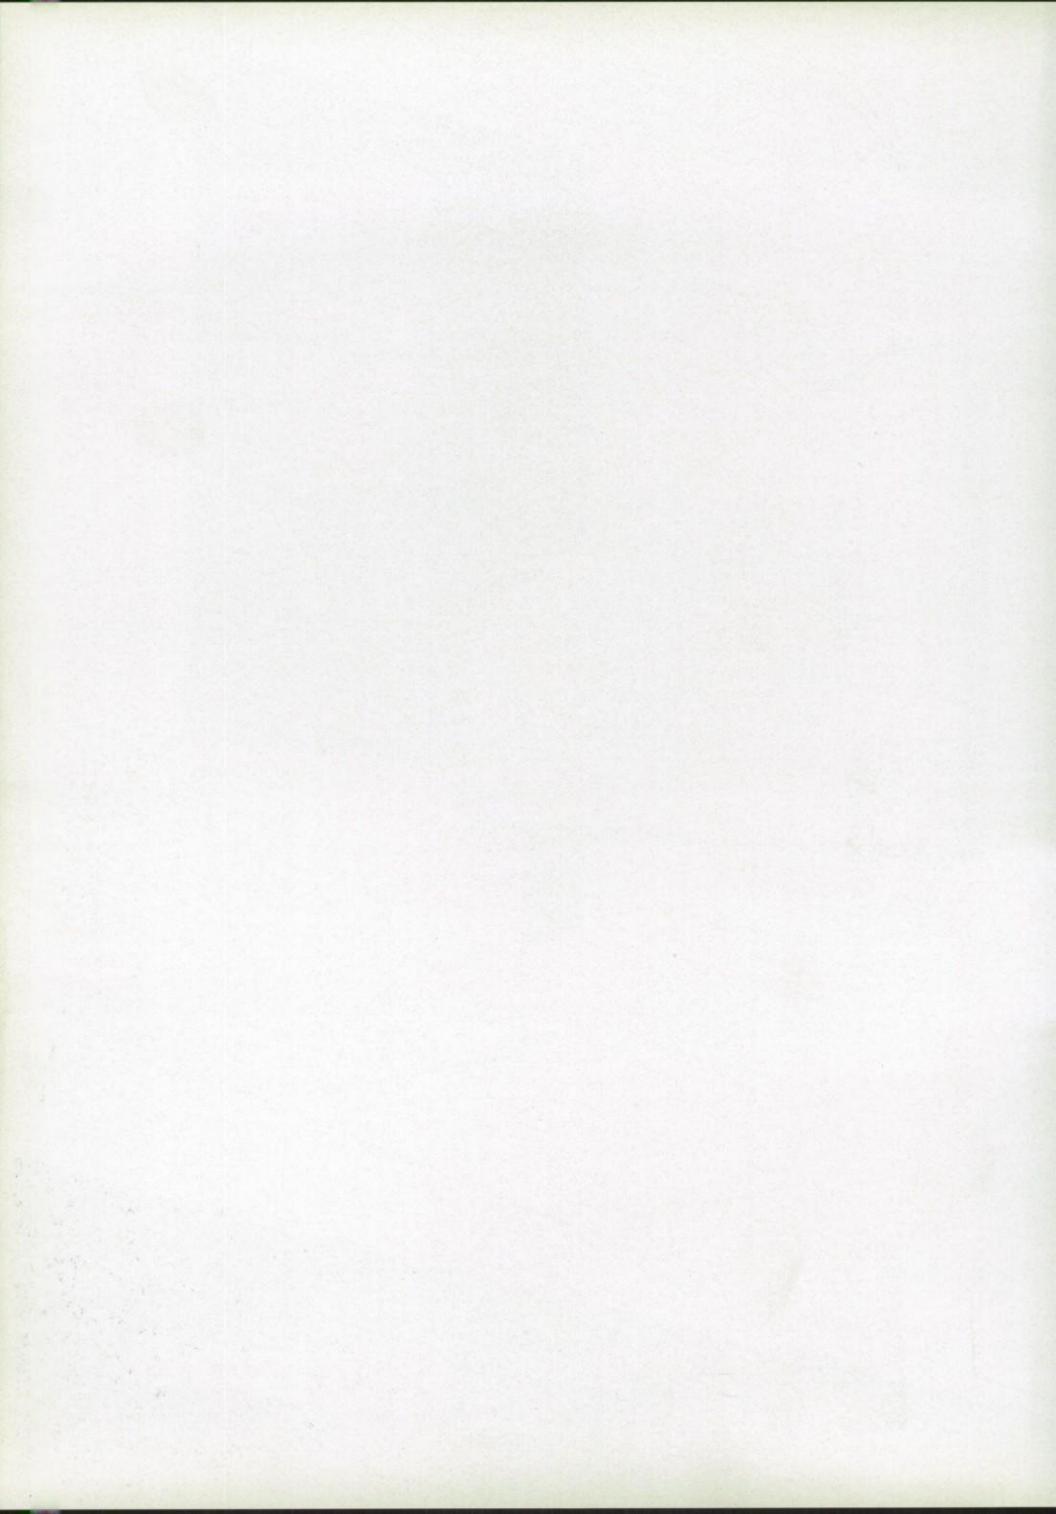

Before Mr. Snickers' retirement last year, he had spent 32 years as head custodian of our school. Eleven of those years we had the pleasure of association with him. It is with fondness and respect that we, the seniors of 1960, dedicate this, our annual, to him.

THINKING

If you think you are beaten, you are;
If you think you dare not, you don't;
If you like to win but you think you can't,
It's almost a cinch you won't.

If you think you'll lose, you've lost,
For out in the world we find
Success begins with a fellow's will ---It's all in the state of mind.

If you think you are outclassed, you are; You've got to think high to rise; You've got to be sure of yourself before You can ever win a prize.

## CLASS

## HISTORY

Four years ago nineteen students anxiously began their role as freshmen. Our first big event was the tea presented by the seniors in honor of the freshmen.

Peter Hansen and Winifred Cann were on the "B" basketball team, and they also played football.

Sandy Miller, Donna Abrahamson, and Judy Anderson were chosen as football queen candidates.

Mabel Galvin was chosen as the basketball candidate from our class and she chose Peter Hansen as her king.

Sally Barton and Andre LaMourea represented our class in declamation.

We all took part in the Gay Nineties Revue in May.

As sophomores, Peter, Roger, and Jim played on the football team. Sandy and Peter were elected the football king and queen.

Peter and Chester represented our class on the basketball team. Judy and Peter were our king and queen candidates for the basketball homecoming.

In February we sponsored a "Queen of Hearts" party. Alborn's first Queen of Hearts was Beverly Holmberg.

We participated in all the school activities in our sophomore year.

At the beginning of our junior year three members of our class left us. They were Pat and Jim Milberger and Winnifred Cann. After Christmas, Mabel Galvin left us to attend Denfeld.

Our anxicusly awaited class rings arrived on October 17.

Chester, Peter, and Roger were on the football team. Sally and Sandy represented our class as queen candidates and Peter and Chester were king candidates for the football homecoming. Sandy was elected the queen, with Ernie Pichelman her king.

Four of our five boys participated in basketball this year. They were Peter, Chester, Rodney and Andre. Our basketball queen candidate was Beverly and she chose Peter as her king.

Donna A, Judy, Janice, and Sandy played on the girls' basketball team as juniors.

On April 13, we presented our class play, "Mother Is A Freshman."

We sponsored the prom collectively with the other South County schools. It was held at Hotel Duluth. Andre was general chairman.

Bernice Ostman joined us at the beginning of our senior year.

Sally was elected as one of the "A" team cheerleaders and Janice Fosness as alternate. Later Janice became one of the regular cheerleaders.

In September we sponsored the Senior Tea. We honored the freshmen and the new teacher in our school.

Peter, Chester, and Roger played on the football team this year. Sally, Pete, Sandy, and Chester were chosen as king and queen candidates from the senior class.

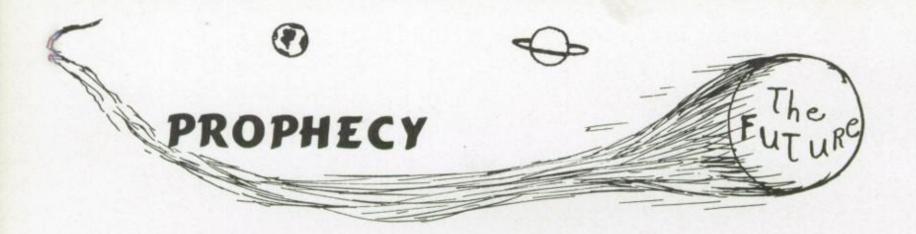

On October 28, the senior class presented their class play, "A Date With Judy."

This year only two of our boys participated in basketball, Peter and Chester. Donna and Pete were queen and king of the 1960 Basketball Home-coming.

Some of the girls on the basketball team were Donna A., Sandy, Judy, Bonnie, and Janice. We played various schools throughout North and South St. Louis County.

This year a few students from high school formed a Square Dance Club and some of the senior girls are members of it. They are Judy, Josephine, Bonnie, Donna H., and Beverly.

Cur long-awaited goal will finally arrive, June 1, 1960, and we shall then be alumni.

The year is 1980; the "people of the year" are the 1960 graduates of the Alborn School. Here is what these fine folks are doing now:

Donna Mae Abrahamson, ex-WAVE and 1972 Olympic Diving Champion, next winter plans to form a Women's Professional Basketball Association.

Judith Anderson is now running a secretarial and business school for men, and is enjoying her work tremendously.

Janice Mae Fosness was voted "Mother of the Year" in 1974, and is looking forward to the graduation of her eldest daughter from the Alborn-Brookston High School this spring.

Beverly Jean Holmberg married her high school sweetheart, now a forest ranger, and is living deep in the North Woods.

Peter Knute Hansen, former Olympic Star and Head Coach at the University of Minnesota, has given it all up for the life of a playboy in New York City.

Donna Mae Hunter is now employed as Chief Librarian at the Library of Congress.

Chester Clayton Lamb has taken over the "Tonight Show" and is rapidly gaining fans through his ready wit.

Andre Arther LaMourea is one of the top box-office attractions of the day, and this year is expected to win his fourth Oscar for his portrayal of Buck Rogers.

Sandra Mae Miller, formerly the "Sweetheart of Tigma Chi", is now appearing quite regularly on the "Tonight Show."

Bernice Ellen Ostman won the Nobel Peace Prize last year for her wonderful work with the orphans of the world.

Rodney Charles Pedersen, 3 time winner of the Indianapolis 500, is now Manager of the Ford Motor Company and plans to revive the Edsel.

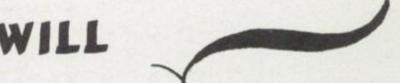

Roger Gene Schelinder, who has done extensive missionary work in many countries, now plans to establish a parish on the moon.

Josephine Victoria Schwartz won the Annual Cat Show in New York City again this year, with her new breed which she developed by crossing a Siamese and a Leopard.

BonnieLou Stoddard has been a nurse at the Mayo Clinic for many years and is now the assistant of Dr. John Doe, discoverer of the cure for the common cold.

May they continue their progress so the year 2000 will find them equally prosperous and progressive.
